¹ Based on current MSRP pricing for PFI-030 ink.

² Wireless printing requires a working network with wireless 802.11b/g or 802.11n capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.

³ Fast (Q5) Mode.

⁴ Limits based on OS.

⁵ Based on information from HP.com as of August 2019.

⁶ The maximum printable length varies depending on the application, OS, and RIP used.
